What Keshrinadan Is?

- KeshriNandan Marble And Handicrafts is one of the leading handicraft export companies in India, and we are proud to offer a wide range of high-quality handicrafts made from different materials like stone, wool, glass, and metal. With our strong network of skilled craftsmen and artisans, we are committed to bringing you the best of India's traditional artistry.
- We are a rapidly growing company that takes pride in our commitment to quality, beauty, and authenticity. Our handicrafts are carefully crafted to reflect the rich cultural and artistic heritage of India. From intricately carved stone sculptures to exquisite woolen shawls, from elegant glass artifacts to finely crafted metal works, we offer an extensive range of handicraft products to suit every taste and preference.
- Our passion for craftsmanship and our dedication to customer satisfaction gives us an edge over our competitors. We aim to provide our clients with not only stunning handicrafts but also unparalleled service and support. Our team of experts is always available to answer any questions or concerns you may have, and our ordering process is streamlined to ensure a hassle-free experience.
- At our company, we pride ourselves on carefully sourcing materials and ensuring that all our products are made with the utmost care and attention to detail. We strive to make sure that our products not only meet but exceed our clients' expectations, making us a trusted name in the handicraft industry.
- So for anyone looking for unique, high-quality, and authentic handicrafts from India, our company is the best choice. With our extensive range of products and commitment to quality, we are confident that we can meet your needs and exceed your expectations.

Our Mission, Vision and Commitment

- Our mission is to become the leading handicraft export organization in the industry. We strive to achieve this by consistently providing our clients with exceptional quality products.
- Be the world's best Indian handicrafts manufacturing and exports organization by achieving extraordinary results for our customers, building satisfying careers for our people, and earning the best return on the value we deliver.
- We are always committed to design the best product for our customers with all international safety measures in a given time frame. We value the skill and creativity of our artisans and are committed to offering them the opportunities to showcase their talent and craftsmanship at a global level.

Our Process

Step 1: Product Design

1. We understand trends/season and festival
2. We brief our design to buyer
3. Concept development
4. Fair sketch
5. Design in 3d
6. Send design to buyer and their agents
7. Take feedback from buyer and do needed changes
8. We technically analyse design
9. We make sample and send it to buyer

Step 2: Production

1. Once the sample is approved by the buyer, we move forward with mass production.
2. We ensure quality control during the production process to ensure that the final product meets all specifications and standards.
3. We ensure to make the shortest lead time.
4. Lowest cost for the customer.
5. After production, we ensure all products move to the quality and testing department.

Our Process

Step 3: Quality Check

1. Once mass production start we sent Quality reports to customers
 - A. In the Primary stage of production
 - B. In the Secondary stage of production
 - C. In the Final stage of production
 - D. We generate and share a fourth report of Quality if any feedback is received from customers.
2. We also accept third-party quality checks for complete transparency.

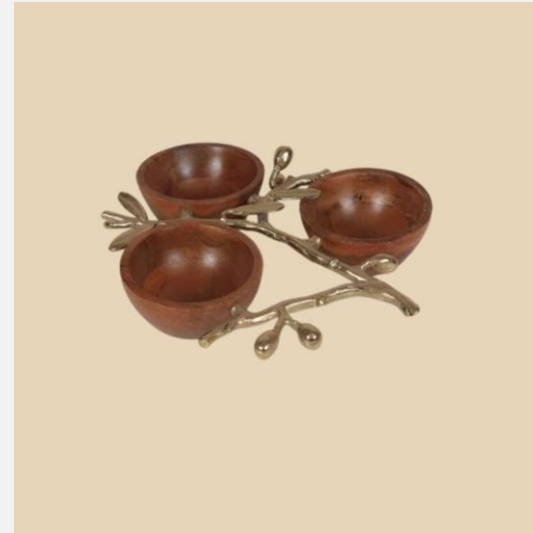

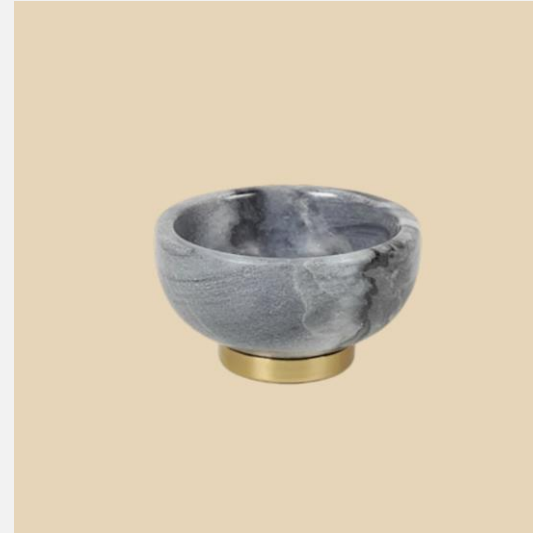

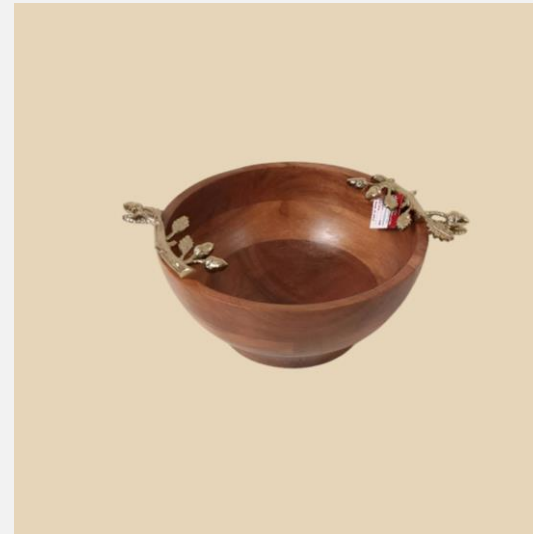

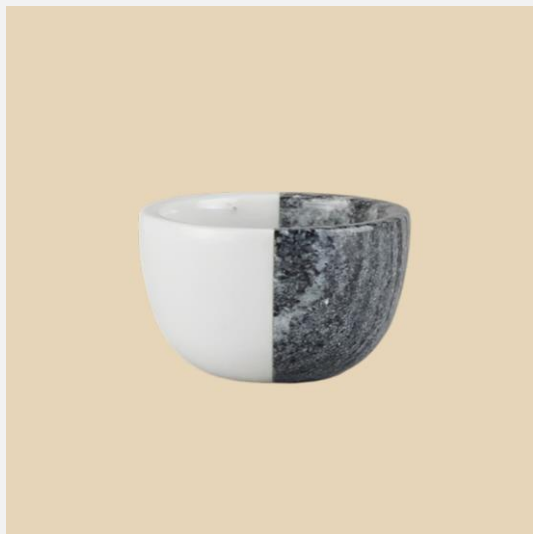

Step 4: Packing & Dispatch

At our company, we use only the highest quality international standard packing materials to ensure the safe transportation of your products. Our packaging experts take all necessary precautions to secure your product and prevent any damage during shipping.

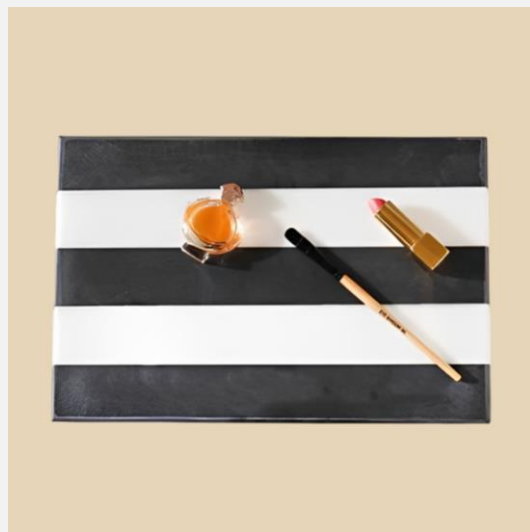

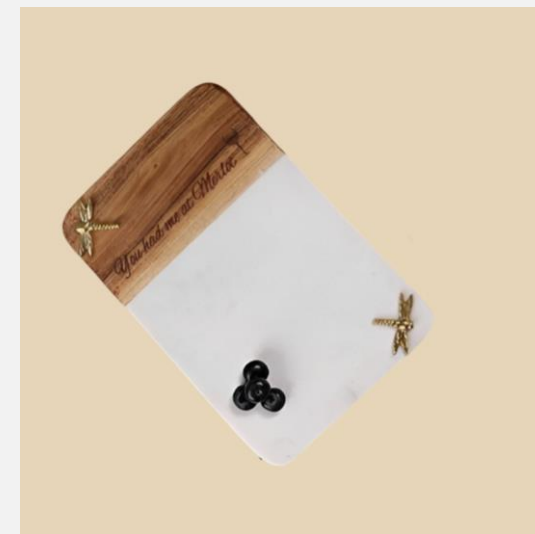

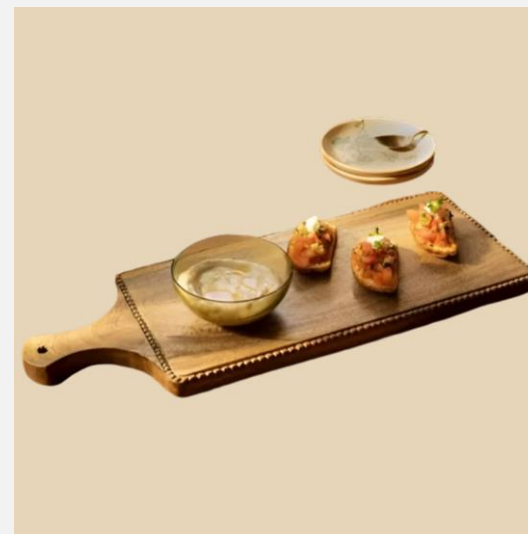

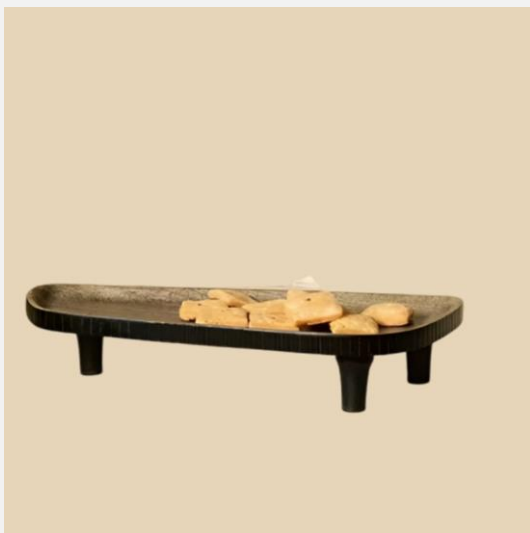

In addition, we conduct drop tests on all of our packages to ensure that they are reliable and durable enough to handle rough handling during shipment. We will also be happy to share our drop test reports with you, so you can rest assured that your products will arrive in perfect condition.

Our shipping team carefully selects the appropriate shipping method and carrier that best meets your needs and preferences. We track the progress of each shipment and provide updates to you as needed, to ensure delivery within the estimated timeline.
